THE SENATE OF MARYLAND
ANNAPOLIS, MARYLAND 21401

29th District Senatorial Scholarship Program

Legal residents of the 29th Legislative District may apply to Senator Steve Waugh for a Senatorial Scholarship. The completed application will be accepted **through March 30th** prior to the beginning of the academic year for which the scholarship is requested. Each student is responsible for submitting a current transcript (high school or college, whichever is appropriate), SAT scores, and a copy of the **Student Aid Report (SAR)** with the completed application by the **March 30th** deadline. **Omission of any of the requested information will disqualify the applicant.** If the SAT scores are not available, please make a notation on the application explaining why you cannot supply them. Scholarship applications received after the **March 30th deadline** will be placed on a waiting list for consideration should additional funds become available later in the year.

The Free Application for Federal Student Aid (FAFSA) is used as a basis for determining eligibility. **The FAFSA must be completed to be eligible for a Senatorial Scholarship.** The FAFSA form is available online at www.fafsa.ed.gov, your local library, or from any high school guidance office. Again, please include a copy of the **Student Aid Report (SAR)** with your application.

Senatorial Scholarships may be awarded in addition to other State scholarships, including the Hope Scholarship. However, the total of all State scholarships awarded cannot exceed \$14,000. Senator Waugh encourages students in his district to apply to other organizations for financial aid in addition to the Senatorial Scholarship. Applications received by the **March 30th deadline** will be reviewed by a committee of community leaders and educators from the 29th District.

All awards must be used at an eligible institution within the State of Maryland and by undergraduate, graduate, or professional students. If the major is not offered through a Maryland school, please visit the Maryland Higher Education Commission's website at www.mhec.state.md.us for information on how to have the major declared unique. Applicants who have been selected to receive a scholarship will be notified sometime in the month of June.

Each student is responsible for confirming they are a resident of the 29th District. Please visit www.mdelect.net to check your address. Failure to confirm being a resident of the 29th District will result in a disqualification of the application. **Senator Waugh's office WILL NOT forward non-resident applications to the appropriate Senator.**

NOTE: *Some previously awarded scholarships renew automatically. If you are already a recipient of a Senatorial Scholarship, you should have been informed as to whether your award is renewable for four years or is a onetime award. If it is renewable, you do not have to apply again, but you must file a new FAFSA each year. If you have a one-time award, you must submit a new Senatorial application each year to be eligible.*
